EXECUTIVE OFFICE OF THE PRESIDENT
NATIONAL AERONAUTICS AND SPACE COUNCIL
WASHINGTON 20502

August 9, 1967

Dear Bill:

I want to let you know how very useful your recent Intelligence Memoranda on the Soviet Communications Satellite System and their SST have been. Their timing has been most appropriate in view of the U. S. policies that are currently being formulated in these areas.

Keep up the fine job.

Sincerely yours,

R. V. Mrozinski

Mr. William N. Morell, Jr.
Director, Office of Economic Research
Central Intelligence Agency
Washington, D. C. 20505

P. S. When you are next in the city, please let me know beforehand and we can get together for lunch and a chat about subjects of mutual interest.
